Re: Corn Origination Contract

Dear CVEC,

Per the Corn Origination Contract date 8/1/05 consider this the 90 days written notice of Glacial Plains Cooperative intent to terminate the above mentioned contract. Also note that with the cancellation of this contract the CVEC storage space will be decreased 45,000 bushels to the original 180,000 bushels.

Sincerely,

Thomas Traen, General Manager
Glacial Plains Cooperative
